Summary of CR Meeting of Batch 28

Dear All,

The Outcomes of Meeting of Batch 28B (Stage 2 Sem II) are as follows:

Batch 28 B Agenda:

- **Routine**

   Routines are prepared as per the International practice and the availability of faculty resources and infrastructure resources. Management will try its best to set up routine to the best interest of students' needs. Students are requested to use the breaks for self-learning and make optimum use of college resources (Internet, Study Area, Lab, Faculty, etc.).

College Request for Students

IOT: IOT Devices should be returned as soon as your project is completed otherwise your campus account will be blocked.

Parking: Students are requested to park their motor bikes in the allocated parking area that the college has provided. Please don't park your vehicles in public areas. Block E parking area is allocated for 4-wheelers, staffs and visitors.

Fees: Students are requested to meet their fees, assignment deadlines and other deadlines if there are any. Failing to meet the deadlines may result to suspension of college systems.

College Resources: Students are requested to help manage college resources by turning off lights, ACs and projectors.

Additional Information

Defer Case: Students should inform to the respective student support staff before the release of assignments if they wish to drop or defer the semester. Else, it will lead to attempt count and will be marked as **ABSENT**.
